SPONSORSHIP GOALS

The primary objective of the sponsorship program is to allow businesses to have the opportunity to advertise in all possible areas at WCCS. It also allows businesses to create their own advertising packages to custom fit the various areas they desire to support.

Westminster Catawba Christian School exists to educate students to bless our world as disciples of Jesus Christ. We strive for our students to discover their unique, God-given talents and abilities in athletics and fine arts. Your advertising support allows our students to have the resources they need to thrive. Please consider this opportunity to partner with us by participating in the WCCS Corporate Sponsorship Program.
