NOTES:

--PE Uniforms will be available to purchase during the first week of school. Students will need a combination lock for their PE locker.

--Middle School Students will be given a daily planner by WCCS.

--All MS students take a Bible class. We have classroom sets of Bibles that students may use during Bible classes, but we encourage families to provide students with an English Standard Version (ESV) Bible or ESV Study Bible to bring back and forth from home to school in order to complete assignments in any class that require Scripture reading.

--Optional: Wired earbuds may be brought to be used when a class goes to the computer lab.

Please note that this is a basic supplies list to get your student started in August. Individual teachers, including elective teachers, may have a list of supplies specific to each individual class and will communicate that to parents in August.
