NOTES:

--PE Uniforms will be available to purchase during the first week of school.

--Middle School Students will be given a daily planner.

--All MS students take a Bible class. We have classroom sets of Bibles that students may use during Bible classes; we also encourage families to provide students with an English Standard Version (ESV) Bible or ESV Study Bible to bring back and forth from home to school in order to complete assignments in any classes that require Scripture reading.

Please note that this is a basic supplies list to get your student started on the first day of school. Individual teachers, including elective and Excel teachers, will likely have a list of supplies specific to each individual class and will communicate information to parents in August.
